

SUMMER SPLASH

On Friday, February 27, 2009 at the Hillcrest Community Center Gymnasium in cooperation with West Milford Parks and Recreation, the Association for Special Children and Families (ASCF) hosted a Summer Splash! I

Summer in February? "Our annual Christmas Party had to be cancelled this past December, due to inclement weather. We did not want to disappoint the families, especially the children. So, we decided to reschedule the party." said Terry, ASCF's Children's Programs Coordinator.

"What better time to think about the warm summer months, then now? What a great distraction from the cold," a parent commented. "It was wonderful to be reminded of fun, summertime activities; especially when the beach balls starting jumping around the room!"

Approximately 100 people were in attendance, old and new friends alike. The menu was the always delicious Macopin Pizza. Lorraine and her staff consistently support the efforts of ASCF by providing great food at a discounted price. Dessert consisted of all types of home-made goodies and a Happy Birthday cake for one of the youngsters.

But, that's not all – there was plenty of entertainment. Dance music was provided by ASCF's long-time friend and DJ, Franklin. The evening ended with a Magic Show, which everyone enjoyed.

One parent told us, "We always have a great time at these ASCF family events. It's like being with family. I am already looking forward to the next one!"
